The Devil Chained! In those days, when the agents of just ice go for a man, it may be set down as a sure thing that they will bring him .-He may as well give himself up at once; for, although he may baffle pursuit for awhile, yet his final capture is only a question of time. Jeff. Davis, the leader of the rebellion, and one of the greatest villains that ever disgraced the earth, has at last been captured, with his mother. his family. an a number of his devoted followers. Thus the whole breed may be annihilated at one stroke. The followimportant event :-

WAR DEPARTMENT, Washington, May 13. To Major General Dix:

The following dispatch has just been received from Gen. Wilson, announcing the surprise and capture of Jeff. Davis and his staff, by Col. Pritchard and the 4th Michigan cavalry, on the night of the 10th inst., at Irwinville, Irwin Coun-

E. M. STANTON. (Signed,) Secretary of War.

Macon, Ga., May 12-10 A. M .-Lient. Gen. Grant and Secretary Stanton. -I have the honor to report that at daylight on the morning of the 10th inst., Col. Pritchard, commanding the 4th Michigan cavalry, captured Jeff. Davis and family, together with John H. Reagan, Postmaster General, Col. Harris, Secretary, Col. Johnston, A. D. C., Col. Morris, Col. Lubbock, Lieut. Hathaway,

Col. Pritchard surprised their camp a Irwinville, in Irwin County, Ga., 75 miles south-east of this place. They will be here to-morrow night, and will be forwarded under strong guard without delay. I will send further particulars without J. H. WILSON, Brevet Major General.

A later despatch says that Jeff. was captured in his wife's clothes. Irwin County is well down toward the southern boundary of Georgia, in which region the Andersonville bone-yard is located; and he was evidently making for the Okefenoke Swamp, or for the Everglades of Florida, where his great but more noble and honorable prototype, Billy Bowlegs, found refuge so long.

They have got Jeff., and will doubtless carry him securely to Washington. They will try him on the charge of complicity in the murder of Lincoln; if that fails, they have a sure thing on him for treason. We hear many persons "wonder what they will do with him." There is no one who doubts what ought to be done with him, and, if Andy Johnson takes the responsibility, what will be done with him. It can be briefly summed up in the words used upon a memorable occasion of old-"Crucify him! Crucify him!" Or, we should prefer to express it in more modern, forcible and poetical language, in words intended for his especial

"We'll hang Jeff. Davis on a sour apple tree!"

We learn that on last Saturday night, a party of men went to the house of J. G. Leavitt, near Padonia, Brown County, and compelled him to deliver up his money, amounting to about \$700. One of the men wore a false face, and the others were strangers. The fact of one being in disguise, indicates that he must have been a person who was known to Mr. Leavitt, and had led the party to his house, knowing him to have the money. The robbers have been pursued, and if caught, will probably be handed over to the civil law !
